WHAT A SUCCESS was the recent Teddy Bear Drive thanks to the efforts of Mike and Sheila Polanyk and Margaret and Geoff Cuttler. Not only was it an enjoyable evening but it also raised £75 for church funds. Well done all.

FUTURE SOCIAL EVENTS. Following on for the above event, the organisers would like to hear your thought on future events. So please put your thinking caps on and come up with some suitable ideas to give to Mike, Sheila, Margaret or Geoff. Thank you.

RIDE AND STRIDE. On September 10th, David Cooper will be cycling to churches around Nuneaton and Bedworth, ending up at St. John's. Charles Coleman will also be walking to all the local churches in Coventry. This will be part of the annual Warwickshire Historic Churches Society 'Ride and Stride' event. David and Charles are thus seeking sponsors so please do so. They will be pleased to hear from you and will give you details as to how you can do this. Could you either ride or walk around local churches and be sponsored to do so? Further details from David. Half the money raised by our cyclists or walkers goes to the Warwickshire Society and half to us. It is thus a great help to our finances so do take part or sponsor one of our people.
